

## ONTARIO ADVENTURE ROWING ASSOCIATION (OAR)

### Benefits of Individual Membership

Touring in Ontario is promoted through the Ontario Adventure Rowing Association (OAR), an Association registered with RowOntario and Rowing Canada Aviron. OAR Touring manages the touring boats, Mobile Touring Centres, and tour schedule. Each year we will offer a full slate of tours, marathons, and other distance rowing events on various scenic waterways of Ontario. Rowers who are not members of member Clubs have the opportunity of joining the Association as individuals for a fee of \$60. Individual members have the right to participate in a full range of tours, to receive information about overseas tours, and to participate in Association business. All individual members are registered with Row Ontario and Rowing Canada.

A typical year would have 10-12 tours and marathons such as the following:

- Niagara Banana Belt tour -- Don RC
- Lake Scugog Marathon -- Durham RC
- Rideau Lakes – ONEC
- Muskoka Weekend – Hanlan BC / Don RC
- Toronto Islands -- Hanlan BC
- Georgian Bay -- Don RC
- Upper Ottawa River Tour -- ONEC
- Coastal Boat Regatta, Lake Ontario – Hanlan BC
- Canadian Sculling Marathon (Ottawa River) -- ONEC
- Gourmet on the Grand River -- HGRRC
- Icicle Chase (Otonabee River) – Quinte RC

Every year we have 2-3 endurance marathon events with rowing distances from 21 km to 42 km. In addition members have access to international touring. Some years ago a group of OAR members participated in the Rallye Canal du Midi in France. We also support the FISA Tours held annually in various countries. In 2012, in conjunction, with the Sudbury Rowing Club, we hosted a FISA World Tour in the Sudbury-West Arm-French River area. In 2015 OAR members participated in a Florida winter tour and a German fall tour, both organized and sponsored by OAR.

Touring is beneficial to build your endurance and your cardio-vascular system. Moreover rowing tours are also social and environmental, going through some of the most beautiful waterways of Ontario.
