

## **Florida Intracoastal Adventure Tour**

**February 8 – 15, 2020**

Sculling is lovely in Florida in the Gulf Intracoastal Waterway in February. High temperatures are usually in the low 20s C (60s to 70s F). The Waterway is full of dolphins, pelicans, egrets, and other birds. The Gulf side beaches offer great swimming, sea shells in abundance, and sharks' teeth. We will certainly visit 'Old Florida' restaurants where fresh seafood is on order. This rowing tour is held under the auspices of the Ontario Adventure Rowing Association ([www.adventurerowing.ca](http://www.adventurerowing.ca)), is non-commercial, and can be considered winter training. A visualisation of a previous year's route is available at: <https://www.relive.cc/view/1461622153>.

The rowing tour is done in touring quad or coastal doubles, ideal to withstand all conditions in the tidal waterway. We have 5 to 5 ½ days of sculling in Lemon Bay and Charlotte Harbor. In addition we have at least a half day to explore sites of the area.

The cost of seat charges for the boats, tour transport, lunches, and welcome barbeque is \$US 340 or \$CDN 450. A 50% deposit is required to ensure your place. The full amount is required 60 days in advance (December 8, 2019).

An accommodation package for the week at a beach hotel is offered. You have until 90 days in advance (November 8, 2019) to pay for this. The beach accommodation we have secured is very reasonably priced and varies from about \$US 900 to \$US 1,200 per room for the week. The price will vary according to the number of participants. Normally there will be two people in a room. A single supplement charge is applied if you do not wish to share. Please contact Bruce Green to reserve.

Payment in Canadian dollars in via cheque or e-transfer to Richard Vincent or in U.S. dollars via check or Paypal to Bruce Green.
